

Dear Prospective Sponsor,

The Thousand Oaks High School Dance Team would like to offer you an exciting opportunity to become a team sponsor. As this wonderful program is funded almost entirely by sponsorships, fundraisers and parent donations, we are reaching out to local businesses within our community for support in raising these funds.

In place for over thirty years, the JV and Varsity Dance Teams compete in both local and national competitions and the money we raise helps to offset these expenses. We have earned numerous national titles, and we rely on sponsors such as yourself to help the dancers reach their annual goals.

We have different levels of sponsorships detailed on the following page. For your donation, we are offering several ways to recognize your company. We will have a team banner featuring our silver, gold, and platinum sponsors displayed in front of Thousand Oaks High School which will be visible to the public as they pass by.

Additionally, for all sponsors we will have social media and website postings, plus your business cards on display at all our events. We have a social media following of current and past dance families, friends, and supporters of over 1,500 followers and our concerts are attended by over 2,000 people.

Any donations you make are greatly appreciated and tax deductible. We are a non-profit organization, **Tax # 95-6153775**. If you would like any additional details on our sponsorship program, please contact us at the email noted below.
